The most important thing in life is to live. Most people exist, that's all.

W. Shakespeare , Oscar Wilde

Doubt the stars

Watch the glittering,
I fell in love,
And above all,
Eyes know no reason,
That my heart is blind.
When I saw you,
You smiled
In my favor,
Completely and perfectly happy
And I said I will love you
Till I die.

I used to build dreams about you
with love in the moonlight.

F. Scott Fitzgerald

The most important thing in life is that we beat on, boats against the current,
borne back ceaselessly into the past.

Be yourself, be who you are,
It is better to be hated for what you are,
With wath you have, where you are.
Real or not real?
Real.
Of this lam sure.
Who am I to be
Brilliant, gorgeous, talented, fabolous?
Actually, who are you not to be?
There is nopretending.
Don't complain.

“The world is a stage, where action speaks louder than words. We have to explore, dream, discover and takes responsibility for our actions. What we think we become, so say as you think and speak it from your souls. The secret of success is to love what you do. Remember! If you love life, life will love you back.”

Always forgive and be yourself;
It's difficult to forgive, but it is the finest balm in life.
So learn to have a heart that never hardens and a touch that never
hurts;
It doesn't matter who you are or what you look like;
It defines you about what you do.

»When I saw you,
I have been bent and broken.
I wish you to know that
I have crossed oceans,
for beautiful eyes,
but I thought I was the only one...
The saddest thing about love –
the heart was made to be broken.
Again.«

When you came,
I fell in love,
I see you everywhere
in the stars
you have bewitched me,
the universe would go round, my baby,
to me you are everything that exists.

To die, to sleep
perchance to dream
mighty and dreadful.

Death be not proud.
I am the master of my fate,
I am the captain of my soul.
Death, thou shall die.

William Shakespeare, John Donne

We are afraid of a broken heart because it's not easy to fall in love and be hurt. But if you want to achieve happiness you have to be brave and live life like it's your last day.

Jane Austen, Emily Brontë, William Shakespeare, Charles Dickens

You must understand that
people are sad.
I think it is that
they are prisoners of their personal history,
they forget their dreams,
they waste time pacing,
they waste time being quiet
and not saying anything.
Sadness gives them depth

but happiness gives them height
sadness gives roots
happines gives branches
happiness is like a tree going into the sky

sadness is like the roots going down
into the womb of the earth.

The higher it goes,
the deeper it is.
Bigger the roots,
bigger the tree.

So it is true,
folks are usually about as happy
as they make their minds up to be.
For every minute they are sad,
they lose sixty seconds of happiness.

Things are good,
even when they are not,
they will be soon enough.

You can't be happy unless you're unhappy sometimes,
so enjoy your life
be happy
it's all that matters.

A character is a caricature,
when writing a novel,

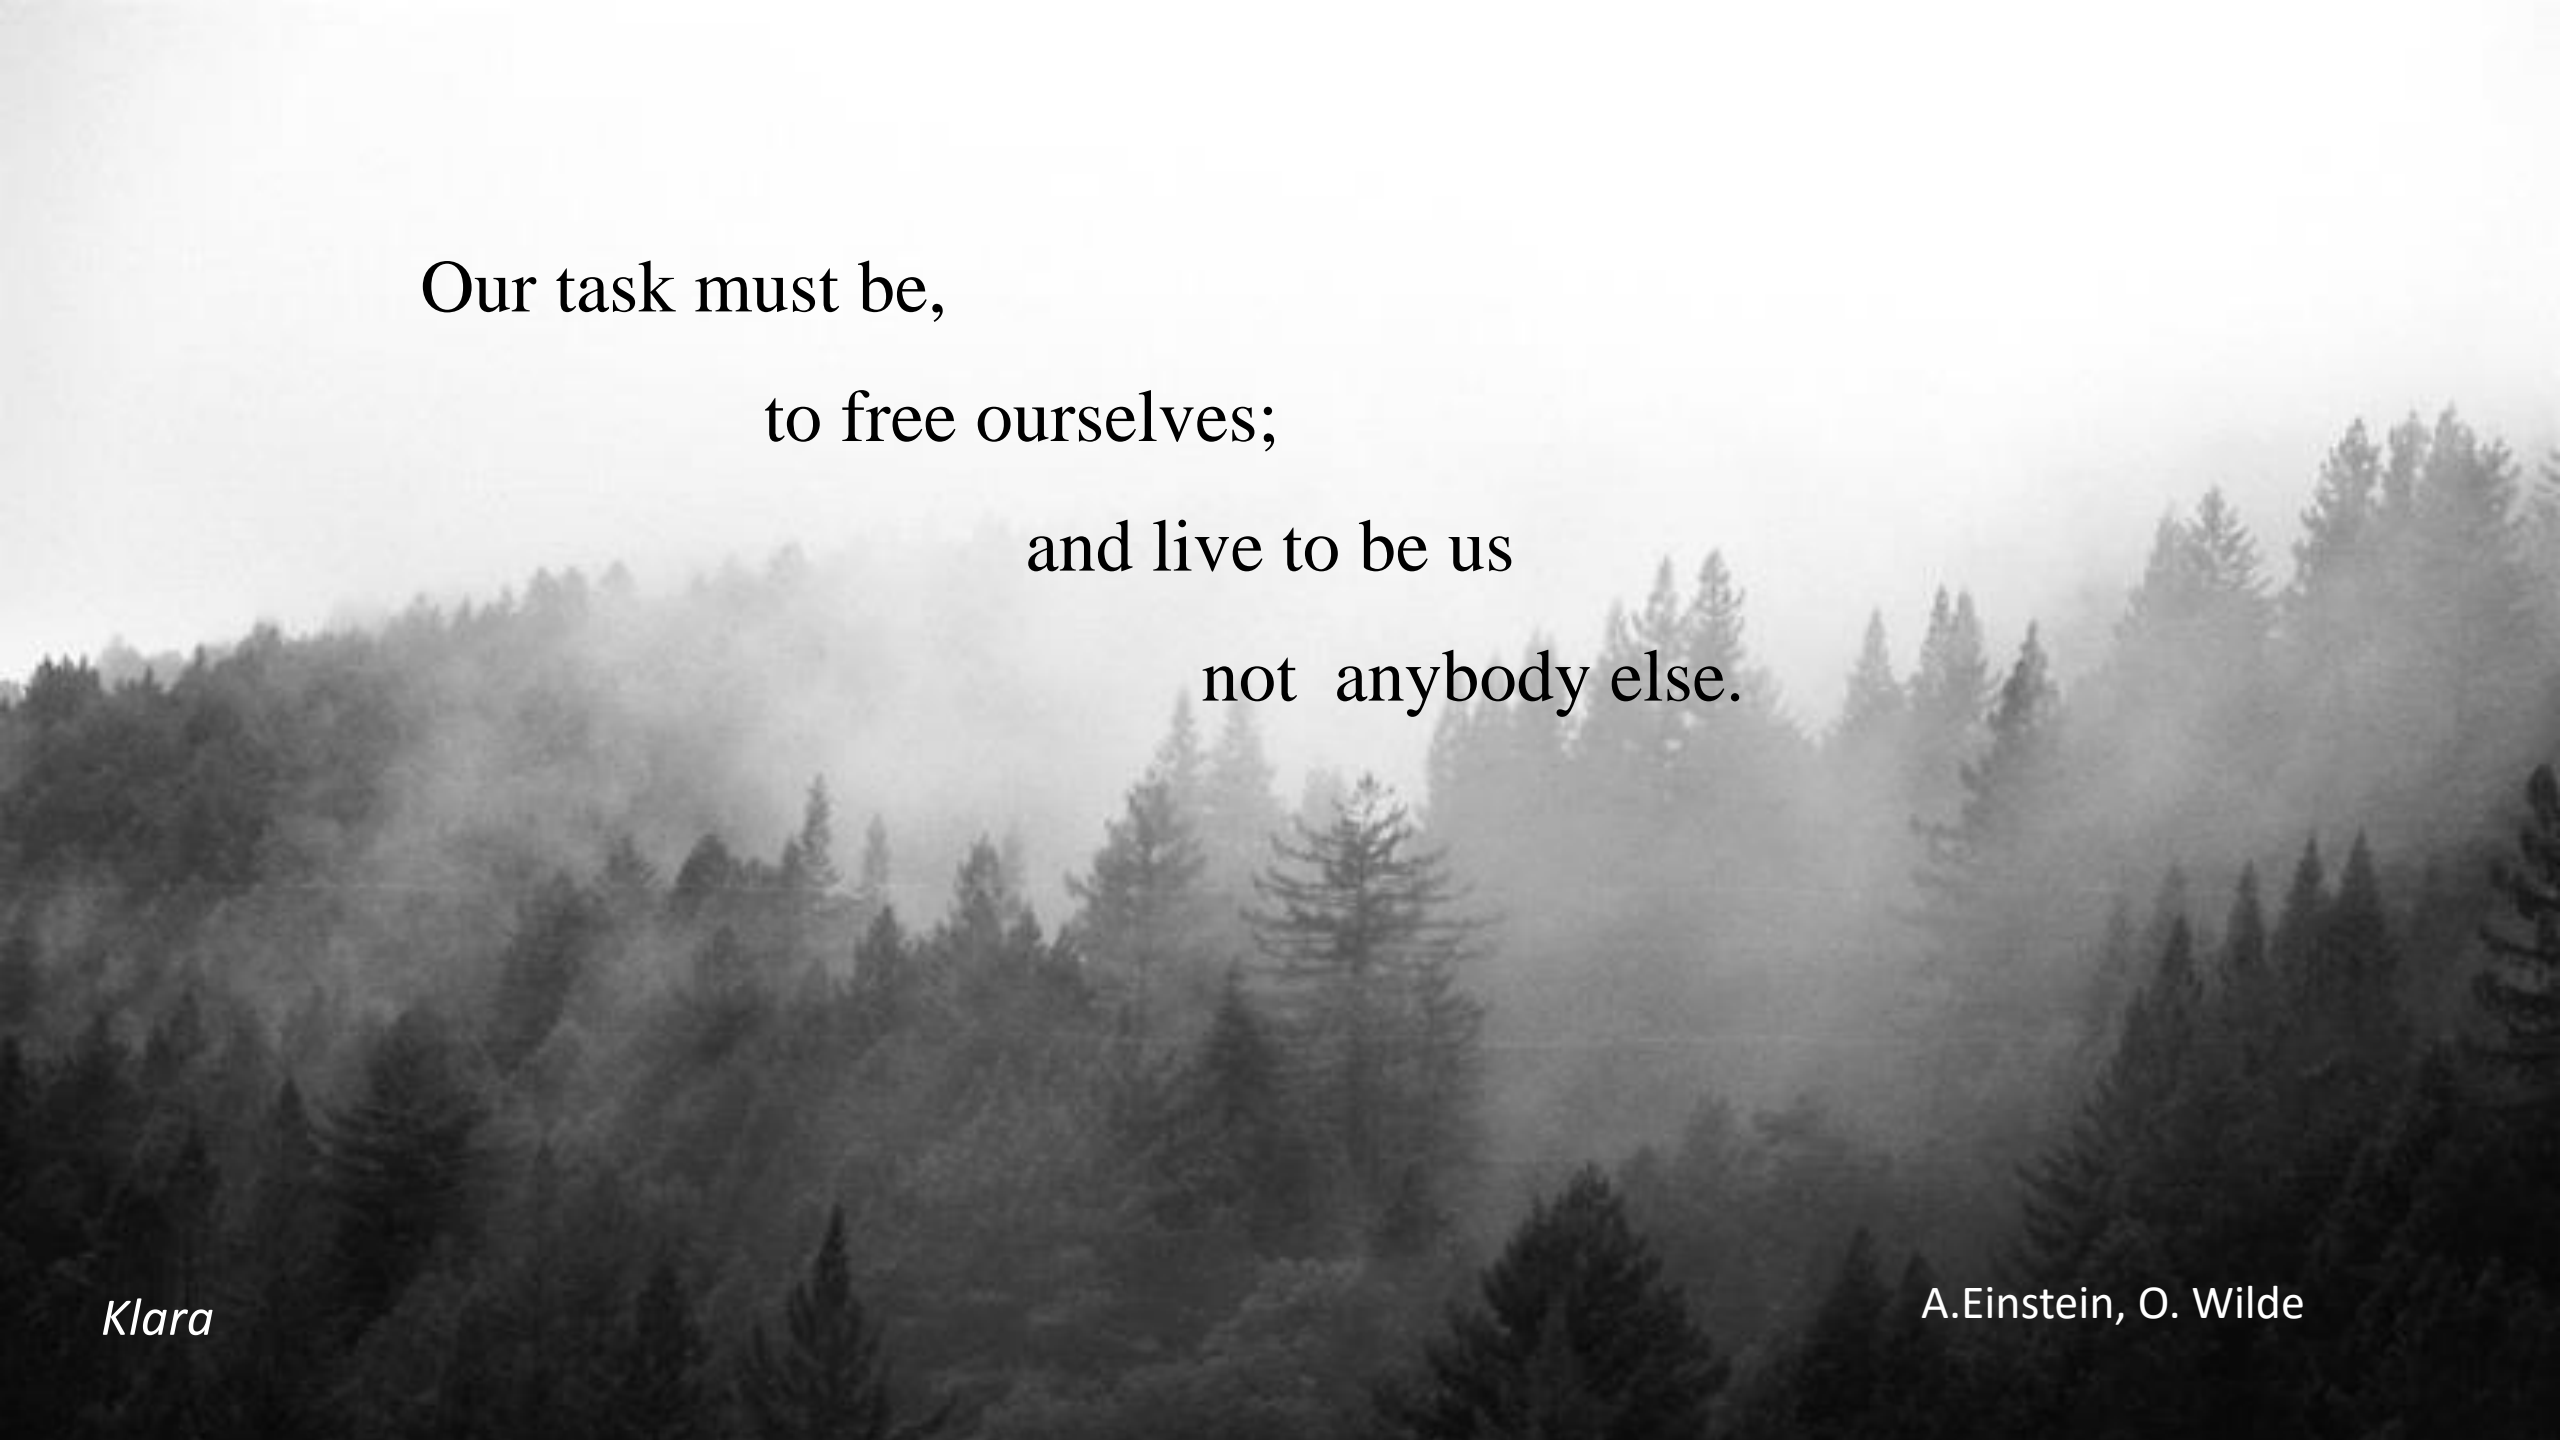

A friend is one,
that life comforts,

A life is walking player,
quiet and full of sound,

A place of words,
where love begins

Our task must be,
to free ourselves;
and live to be us
not anybody else.

I had seen birth and death,
but love is what makes the ride worthwhile.

Forget the misery,

beauty still remains inside;

the future belongs to those who

dream with eyes open wide.

I saw an angel and set him free,
all I wanted in my life to be
is happy and never say goodbye.

Who knew, it was all a lie.
